

Announcing our Lenten Service Project

His Mercy is Marvelous Family Event

Sunday, March 30 from 9:45 am - 10:45 am

Dear Sunday Faith Formation families,

I am looking forward to our next Family Event in March called His Mercy is Marvelous. On March 30, we will be making Easter Baskets for the Homebound and In Need at Saint Ambrose. We have a number of parishioners who are homebound and receive Communion regularly in their home as well as a number of parishioners who are sick or in need. We would like to bring them some extra joy and love this Easter season.

Your children may begin bringing in donations to this project, starting now! We will store them until our Family Event. See below for a list of suggested donations. Saint Ambrose Faith Formation will be providing the Easter Baskets.

Thanks for your help with this important service project! God bless you,
Kathleen Dierberger (kdierberger@saintambrosecatholic.org)
